The City of Durham is characterized by a large number of trees that contribute to the ecology, scenic beauty, and livability of the City. Residents of Durham developed the Tree Ordinance with the intention of preserving as many trees as possible on developed and undeveloped property. Ordinance 228-05 and Chapter 5 of the Land Use Code regulate tree removals. Tree removal applications will be evaluated by criteria in Section 4 of Ordinance 228-05 and Chapter 5 of the Land Use Code.
