

# TRAIL DESIGN OPEN HOUSE

Connecting Our Community

**F**anno Creek Trail is a paved, shared-use path for commuters, walkers, runners, bicyclists and nature enthusiasts of all ages. The trail is being developed in segments, with current work on:

- ▶ Woodard Park to Grant Avenue
- ▶ Main Street to Hall Boulevard
- ▶ Tigard Public Library to Bonita Rd.
- ▶ Bonita Rd. to the Tualatin River
- ▶ 85th Avenue to the Tualatin River
- ▶ Trail Flooding and Amenities

The future trail is proposed to gently wind through a beautiful oak savanna, meadow and new bridges over Fanno Creek.

Come learn about the projects and share your thoughts about the future trail. In partnership with the Oregon Department of Transportation and Metro.
