

A newly formed Business Recovery Center is excited to be able to work with our Durham businesses to help you to obtain the technical, educational, and financial services you may need to recover from the COVID-19 economic and health crisis. This help is available close to home.

The Business Recovery Center is a free and confidential service funded by the CARES Act through Washington County. The mission is to help businesses through the COVID-19 pandemic by providing services such as:

- Assistance with connecting to available financial resources
- Help with navigating technical resources
- Providing educational resources
- Referrals to organizations and resources to further help
- Access to interpreters and translation services
