D. OPEN HEARING ON POSSIBLE USES OF STATES REVENUE SHARING

State revenue sharing from several state-collected taxes is distributed to cities based on per capita. General Revenue Sharing, Liquor Taxes, Marijuana Taxes and Cigarette Taxes are used for General Fund purposes. Gas tax highway funds are restricted to road-related purposes.

E. CLOSE HEARING

There has been little or no discussion on this issue in past meetings. The hearing will likely take only a few minutes.

There should be time to discuss and approve the majority of budget items before adjourning to open the Council meeting at 7:30 p.m. At the last meeting of the Budget Committee the Committee will be asked to approve budget recommendations and property tax levy, but if there is time these motions can be made at this meeting.

G. SET ADDITIONAL BUDGET COMMITTEE MEETINGS AS NECESSARY

If additional meetings are needed, the next scheduled meeting would be at 6:30 p.m. on May 28th, 2024. The Committee could also set a meeting for a different time if needed and agreed upon.
