How to File for Candidacy

If you are interested in running for office, contact City Hall to review the process, paperwork, and deadlines for filing a prospective petition. Prospective Petitions must be filed with the City Recorder by 10:00 a.m. on August 27, 2024.

The petition process is regulated by state election law and is implemented locally by the City's Elections Official. The required forms must be filed **at Durham City Hall** by 10:00 am on August 27, 2024. These forms are available at Durham City Hall or online on the City's website under the City Council tab.

To start the process, a potential candidate must complete a Candidate Filing form and gather at least ten signatures from Durham registered voters using the Candidate Signature Sheet. The names on the petition will be verified using County voting records. Signatures must be legible to be counted. It is prudent to obtain at least fifteen signatures in case some of the petition signers are not registered to vote in Durham or if the signature is not legible.

All candidates who complete the filing process by August 27 will be included on the November ballot. However, inclusion in the Voter's Pamphlet is not automatic. If a candidate would like to be included in the Voter's Pamphlet, an additional form and \$50 fee is required. Voters' pamphlet forms and fees are turned into the Washington County Election Office in Hillsboro. Campaigns that spend more than \$750 are required to file forms with the State Board.
