Do you have a large item to dispose of?

We can pick up your bulky items (things that would not otherwise fit in your garbage cart) from your home. There is a fee for this service, it's more affordable than you think! For example, a standard size couch picked up curbside would cost you approximately \$53-\$72. This cost reflects the pickup fee and a per item charge, the rates are based on the jurisdiction you live in. If you had a couch and a BBQ both, it would be approximately \$68-\$89.

Examples of bulky items/junk we pick up:

- Couch
- Mattress
- Fridge
- Washer/Dryers
- Lawnmower
- TV's and computer monitors
- Tire
- Toilet
- Recliner
- Water heater

and more!

We are the **ONLY** provider that is licensed by your jurisdiction and allowed to provide these services in your area. The rates we charge are set by your city or the county, depending on where you live. All items we pick up are disposed of or recycled responsibly and safely.

This service is done by a separate driver. You must contact our office to schedule bulky items to be picked up, prior to placing them curbside. Once you have scheduled your bulky item pick up, you will place your items curbside by 6am on the scheduled day and our driver will haul them away!

Some of these larger items, the ones that are recyclable, can also be dropped off at our recycling depot. For a full list of which items can be recycled at our depot and any applicable charges from drop off, visit our website at: <https://pridedisposal.com/resources/recycling-drop-off>.

Sharps Disposal

Sharps include hypodermic needles, acupuncture needles, IV tubing with needles, scalpel blades, lancets, glass tubes, syringes, and other medical sharps. It is illegal in Oregon to dispose of these items in the garbage. Several local pharmacies have a sharps drop off program and we accept sharps containers at our depot for a charge.

Oregon law requires that this material be stored and disposed of in red, rigid, leak-proof, puncture-resistant containers clearly marked with the biohazard symbol and sealed for safety. You can purchase these sharps containers at many local pharmacies, medical supply stores, or online. All sharps brought to our office must be contained in an approved sharps container.

We do not sell sharps containers, we only accept full containers for disposal.

The price to drop off containers at our office starts at \$3.50 (minimum charge) and that covers containers up to 1 gallon in size. Larger containers are charged \$3.50 per gallon. All containers must be closed and secured before they are dropped off. We are only able to accept residential quantities. If you are a commercial customer in our service area in need of medical waste collection, please contact Trilogy Medwaste at 888-755-7726. Trilogy is our subcontractor for this service.

For drop off, our depot is located at 13980 SW Tualatin Sherwood Rd and our hours are: Monday—Friday 8am-noon, 1pm-4:30pm.
